

For Release on: February 1, 2023

The Flower and Butterflies have arrived in Buellton!

Buellton's Community Art Project is now up on the Avenue of Flags

Buellton— (February 1, 2023) — Buellton's Arts and Culture Committee through the Buellton City Council is pleased to announce the completion of a large scale community arts project: "Funky Flowers and Butterflies." The banners are now on display along the Avenue of Flags in Buellton, CA. The Committee received incredible art submissions and would like to thank all of the artists. In the end, they were able to combine the works of 36 community artists aged 5-75 to create the 14 designs you will find on the banners along the Avenue of the Flags.

The Arts and Culture Committee members commented, "The artwork submitted by the community was absolutely amazing! When we put all the pieces together it really showed how creative our community can be and that beautiful things are possible when we make art possible for all."

Each month this year the City of Buellton will be featuring a different design and showcasing the community artists. So far they have featured:

January's Featured art includes artwork by: Flowers by Jonathan Perez, Vines and background pattern by Vienna Sun. January's artwork is sponsored by the Buellton City Council & Arts and Culture Committee.

February's Featured Art includes artwork by: Blue Flower by Hannah Grace Bankey, Purple Flower by Noelle Esdaile, Heart by Emma Perez, and Background Flower by Mia Altamirano. February's artwork is sponsored by Visit SYV.

To see all of the featured art, the original art, and learn more, please go to: Buellton.Art
